

Independent Auditor's Report on the Quarterly and Annual Audited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Kimia Biosciences Limited

Report on the Audit of the Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date financial results of Kimia Biosciences Limited ("the Company"), for the quarter and year ended March 31, 2021 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement read with notes therein :

- i. is presented in accordance with the requirements of the Listing Regulations in this regard: and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net loss and other comprehensive income for the quarter ended March 31, 2021, the net profit and other comprehensive income for the year ended March 31, 2021 and other financial information of the Company for the quarter and year ended March 31, 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Results' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibilities for the Financial Results

These financial results have been prepared on the basis of the annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/loss and other comprehensive income and other financial information of the Company in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other

accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a

going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Statement includes the results for the quarter ended March 31, 2021 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2021 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

- 1 The business activity of the Company falls within a single primary business segment viz 'Pharmaceuticals' and hence there is no other reportable segment as per Ind AS 108 'operating segments'.
- 2 COVID - 19 pandemic has caused disruption on the global economic and business environment. There is uncertainty with regard to its impact which cannot be reasonably determined at this stage. However, the Company has evaluated and considered to the extent possible the likely impact that may arise from COVID-19 pandemic as well as all event and circumstances upto the date of approval of these financial results on the carrying value of its assets and liabilities as at March 31, 2021. Based on the current indicators of future economic conditions, the Company estimates to recover the carrying amount of its assets and has adequate liquidity to discharge its obligations. These estimates are subject to uncertainty and may be affected by the severity and duration of the pandemic. The Company is continuously monitoring any material changes in future economic conditions.
- 3 The figures for the quarter ended March 31, 2021 and March 31, 2020 are the balancing figures between audited figures for the full financial figures and the published year to date figures for the nine months.
- 4 The figures for the previous periods have been regrouped/ rearranged, wherever considered necessary, to confirm current period classifications.
- 5 The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 22.06.2021
