CHAIRMAN PERSPECTIVE

Dear Shareholders,

The Company's core purpose is centered on providing wellness and healthy choices to its consumers—a mission that has remained unwavering despite the constantly evolving external environment. The world today is marked by volatility, with challenges such as inflation, geopolitical tensions, supply chain disruptions, and fluctuating demand. In response, the Company recognizes the need for flexibility and adaptability, choosing not to plan for a single fixed future but instead preparing to thrive in shifting realities.

Embracing the theme of optionality—keeping choices open, reducing risk concentration, and remaining agile—is considered vital for building resilience and driving sustainable growth in an uncertain world.

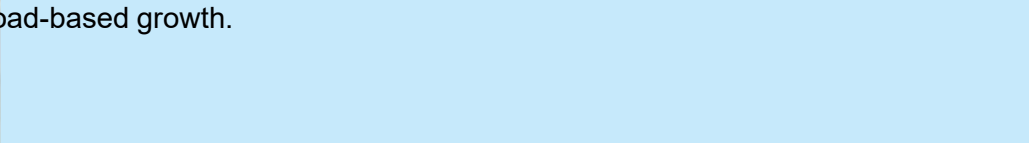

The Company also takes pride in being an early adopter of Environmental, Social, and Governance (ESG) initiatives. Our ongoing efforts include waste reduction, emissions management, and advancing social equity. With new ESG goals set for the coming decade, sustainability has become an integral pillar of our long-term strategy.

We are fortunate to have a young and diverse team shaping our journey ahead. Equally important is our commitment to building long-lasting relationships with employees. Diversity and inclusion remain key priorities, as we continuously strive to broaden the diversity of thought, background, experience, and gender within our workforce. By nurturing talent, developing careers, and inspiring individuals to contribute their best, we aim to strengthen our organisation for the future.

The Company deeply values its employees as its greatest assets. Their dedication, especially during the pandemic, played a crucial role in maintaining business continuity and reflects our shared spirit of resilience.

We also express our sincere appreciation to our shareholders for their continued support. Your confidence in our vision and strategy is of vital importance, and we look forward to your trust as we move ahead together.

FY25 proved to be a significant and eventful year for Kimia, marking our third full year of operations since the pandemic. Despite ongoing global uncertainties and the looming threat of recession in several major economies, India's strong economic fundamentals and supportive policy environment enabled us to demonstrate resilience and deliver broad-based growth.

Mr. Sameer
Goel Chairman &
Managing Director

R&D And Growth

The objective of R&D program is to research and develop new improved drugs with the goal of addressing unmet patient needs with more meticulous resources and to establish a robust portfolio for a new generation of treatments. Kimia is committed to do significant investments in drug research and development in order to produce effective, safe and affordable medicines.

The team at R&D involves people with high skills and expertise having versatile Pharmaceutical exposures and are determined to make Kimia R&D as an advance Centre for Research.

The Research & Development Centre, having state of Art Facility with modern & well equipped machinery is approved by Department of Scientific and Industrial Research (DSIR) vide Registration No. TU/IV- RD/4410/2021 dated 06/08/2021.

R&D at Kimia has evolved much stronger and larger with increased infrastructure during the year 2024-2025 and has forged ahead in development of innovative technologies, cost improvements in existing products & indigenous development of key Raw materials.

Another area of advancement is induction of Intellectual property team at the R&D in addition to already existing Chemical Research development, Analytical development, and Regulatory and Quality assurance teams making a complete set of teams needed to run the R&D Centre..

NOTICE OF THE 32nd (THIRTY-TWO) ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN THAT the Thirty-two (32nd) Annual General Meeting of Members of Kimia Biosciences Limited will be held on Tuesday, the 30th September, 2025 at 04:00 PM (IST) through video conferencing or other audio visual means ("VC/OAVM") to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements for the year ended 31st March 2025, along with the Reports of the Directors' and Auditors' thereon.

To consider and, if thought fit, to give your assent or dissent to the following resolution as **Ordinary Resolution:**

"RESOLVED THAT the Audited Standalone Financial Statements of the Company for the financial year ended March 31, 2025 (including the Balance Sheet as at March 31, 2025; Statement of Profit and Loss; Cash Flow Statement for the year ended March 31, 2025; Statement of changes in Equity for the year ended March 31, 2025 along with summary of significant accounting policies and the accompanying notes forming an integral part of the financial statements) along with the Report of the Board of Directors and the Statutory Auditors' Report thereon, as placed before the meeting, be and are hereby, received, considered and adopted."

2. To appoint a director in place of Mr. Sameer Goel (DIN: 00161786), Director, who retires by rotation, and being eligible, offers himself for re-appointment pursuant to the provisions of Section 152 of the Companies Act, 2013.

To consider and, if thought fit, to give your assent or dissent to the following resolution as **Ordinary Resolution:**

"RESOLVED THAT pursuant to the provisions of Section 152 and other applicable provisions, if any, of the Companies Act, 2013, Mr. Sameer Goel (DIN: 00161786), who retires by rotation and being eligible for re-appointment, be and is hereby re-appointed as a Director of the Company."

3. To appoint M/s Neeraj Arora & Associates. Chartered Accountants as Statutory Auditors of the Company from the conclusion of this Annual General Meeting until the conclusion of the Thirty-Seven Annual General Meeting and fix their remuneration.

To consider and, if thought fit, to give your assent or dissent to the following resolution as **Ordinary Resolution:**

"RESOLVED THAT pursuant to the provisions of Section 139, 142 and other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modifications or re-enactment thereof for the time being in force) and the Companies (Audit and Auditors) Rules, 2014, as amended from time to time for appointment of statutory auditors, M/s Neeraj Arora & Associates, Chartered Accountants who have confirmed their eligibility for appointment of Statutory Auditors in terms of Section 141 of the Companies Act, 2013 and applicable Rules be and are hereby appointed as Statutory Auditors of the Company to hold office for a period of 5 years from the conclusion of the Thirty-two Annual General Meeting of the Company till the conclusion of the thirty Seven Annual General Meeting, to examine and audit the accounts of the Company on such remuneration as may be approved by the Audit Committee and /or Board of Directors of the Company in addition to applicable taxes and reimbursements of out of pocket expenses incurred by them.

RESOLVED FURTHER THAT the Board of Directors or Audit Committee thereof, be and are hereby severally authorized to decide and finalize the terms and conditions of appointment, including the remuneration of Statutory Auditors.”

SPECIAL BUSINESS:

4. To approve the remuneration of the Cost Auditors for the financial year ending 31st March, 2025.

To consider and, if thought fit, to give your assent or dissent to the following resolution as **Ordinary Resolution**:

“**RESOLVED THAT** pursuant to provisions of Section 148 and other applicable provisions, if any, of Companies Act, 2013 (the “Act”) and the Companies (Audit and Auditors) Rules, 2014 [including any statutory modification(s) or amendment(s) thereto or re-enactment(s) thereof, for the time being in force] and pursuant to recommendation of Audit Committee, the remuneration payable to M/S Mahesh Singh & Co., Cost Accountants having Firm Registration Number 100441, appointed by the Board of Directors of the Company as Cost Auditors to conduct audit of the cost records of the Company for the financial year ending March 31, 2025, amounting to Rs. 40,000/- (Rupees Forty Thousand only) plus out of pocket expenses that may be incurred during the course of audit be and is hereby approved and ratified.

RESOLVED FURTHER THAT the approval of Company be accorded to the Board of Directors of the Company (including any committee thereof) to do all such acts, deeds, matters and things and to take all such steps as may be required in this connection including seeking all necessary approvals to give effect to this Resolution and to settle any questions, difficulties and doubts that may arise in this regard.”

5. To appoint Mr. Harish Kumar, Proprietor of Harish Kumar & Associates, Practicing Company Secretary, as Secretarial Auditor of the Company.

To consider and, if thought fit, to give your assent or dissent to the following resolution as **Ordinary Resolution**:

“**RESOLVED THAT** pursuant to the provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modifications and re enactments thereof for the time being in force), Regulation 24A and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), and based on the recommendation of the Audit Committee and the Board of Directors, Mr. Harish Kumar, Proprietor of Harish Kumar & Associates, Practicing Company Secretary, (Certificate of Practice no. 8625 and Peer review certificate no. 4233/2023), be and is hereby appointed as Secretarial Auditor of the Company for a term of five consecutive years, commencing from financial year 2025-26 up to financial year 2029-30 at such remuneration and on such terms and conditions as may be determined by the Board of Directors of the Company (including its Committee(s) thereof) in consultation with the Secretarial Auditors, to conduct Secretarial Audit of the records of the Company and to furnish the Secretarial Audit Report thereon.”

“**RESOLVED FURTHER THAT** any Director or Company Secretary be and is hereby authorized to do all such acts, deeds, things and to sign all such documents and writings as may be necessary to give effect to this resolution, including filing of necessary forms with the Registrar of Companies and other statutory authorities as may be required.”

**By the Order of the Board of Directors
For Kimia Biosciences Limited**

Place: New Delhi

Date: 29.08.2025

Sameer Goel

(Chairman & Managing Director)

(DIN: 00161786)

Notes:

1. The Explanatory Statement pursuant to Section 102 (1) of the Companies Act, 2013 ("the Act") read with Rule 22 of the Companies (Management and Administration) Rules, 2014 ("the Rules"), as amended, setting out the material facts relating to the business under item no. 4 to 5 concerning the said Resolutions and the reasons thereof is annexed hereto and forms part of this Notice ("Notice").
2. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and MCA Circular No. 02/2022 dated May 05, 2022 and latest General Circular No. 09/2024 dated September 19, 2024 and Securities and Exchange Board of India vide its Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 03, 2024 and all other relevant circulars issued from time to time, physical attendance of the Members to the AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
3. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs and in terms of SEBI (Listing and Disclosure Requirements) (Third Amendments) Regulations, 2024 which came into effect from the requirement to send proxy forms is not applicable to general meetings held only through electronic mode. Hence, the Proxy Form and Attendance Slip including Route Map Are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting. In case of attending of meeting by Authorised Representative then the Body Corporate are requested to send a certified copy of the Board Resolution/Authorisation Letter to the Scrutinizer by email to harish@hka-cs.com.
4. In case of Joint-Holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company as on the cut-off date will be entitled to vote during the AGM.
5. Members whose shareholding is in electronic mode, are requested to notify any change in address or bank account details to their respective depository participant(s) (DP). Members whose shareholding is in physical mode, are requested to opt for the Electronic Clearing System (ECS) mode to receive dividend on time in line with the circulars. We urge members to utilize the ECS for receiving dividends.
6. The Members can join the AGM in the VC/OAVM mode 30 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
7. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013 read with rules made there under.
8. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
9. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice

calling the AGM has been uploaded on the website of the Company at www.kimiabiosciences.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.

10. AGM is being convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021 and MCA General Circular No. 2/2022 dated May 05, 2022
11. The Board of Directors of the Company has appointed M/s Harish Kumar & Associates, a Practising Company Secretaries as Scrutiniser to scrutinise the e-voting and remote voting in a fair and transparent for the 32nd AGM of the Company.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on **27th September, 2025** at 9:00 A.M. (IST) and ends on **29th, September, 2025** at 5:00 P.M. (IST). The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. **September 23, 2025**, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being **September 23, 2025**.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

- A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID
b) For Members who hold shares in demat account with CDSL.	For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
c) For Members holding shares in Physical Form.	16 Digit Beneficiary ID
	For example if your Beneficiary ID is 12***** then your user ID is 12*****
	EVEN Number followed by Folio Number registered with the company
	For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "[Forgot User Details/Password?](#)" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) [Physical User Reset Password?](#) (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system. How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.

2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period and casting your voteduring the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join GeneralMeeting”.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which youwish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to harish@hka-cs.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “[Forgot User Details/Password?](#)” or “[Physical UserReset Password?](#)” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020990 and 1800 22 44 30 or Ms. Sarita Mote, Assistant Manager, NSDL at designated email ID evoting@nsdl.co.in who will address the grievances related to electronic voting.

Process for those shareholders whose email ids are not registered with the depositories for procuring user id andpassword and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to compliance.kimiabiosciences@gmail.com.
2. EXPLANATORY STATEMENTS IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO THE PROVISIONS OF SECTION 102 OF COMPANIES ACT, 2013

Item No. 4

The Company is required under Section 148 of the Companies Act, 2013 (Act) read with Companies (Cost Records and Audit) Amendment Rules, 2016 to have the audit of its cost records conducted by a Cost Accountant in practice. The Board of Directors of the Company, on the recommendation of the Audit Committee, has approved the re-appointment of M/s Mahesh Singh & Co., Cost Accountants (Firm's Registration No. 100441) to conduct audit of cost records of the Company for products covered under the Companies (Cost Records and Audit) Amendment Rules, 2016 for the financial year ending on 31st March, 2025, at a remuneration of Rs. 40,000/- (Rupees Forty Thousand only) plus reimbursement of out-of-pocket expenses.

In accordance with the provisions of Section 148 of the Act read with the said Rules, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors has to be ratified by the Members of the Company.

The Board is of the opinion that of above transactions shall be in best interest of the company. None of the Directors, Key Managerial Personnel of the company and their relatives, are in any way concerned or interested in the said Resolution.

The Board of Directors recommends the **Ordinary resolution** set out at Item No. 4 of the Notice for approval by the Members.

Item No. 5

In accordance with the provisions of Section 204 and other applicable provisions of the Companies Act, 2013, read with Rule 9 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) ('the act'), a listed company is required to undertake Secretarial Audit conducted by Secretarial Auditors and annex a Secretarial Audit Report, issued by a Practicing Company Secretary, to their Board Report, prepared under Section 134(3) of the Act.

Furthermore, SEBI vide its notification dated December 12, 2024, amended Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). As per the revised Regulation, the listed entity is required to appoint a Secretarial Audit firm, for a maximum of two terms of five consecutive years each, who is a peer reviewed company secretary, and meets the eligibility criteria, as specified in Regulation 24A of the SEBI Listing Regulations read with SEBI circular no. SEBI/HO/CFD/CFD-PoD-2/CIR/P/2024/185 dated December 31, 2024, subject to Members' approval at the Annual General Meeting.

Accordingly, the Board of Directors of the Company at its meeting held on August 29, 2025, approved the appointment of Mr. Harish Kumar, Proprietor of Harish Kumar & Associates, Practicing Company Secretary (Certificate of Practice no. 8425 and Peer review certificate no. 4233/2023) as the Secretarial Auditor of the Company for a term of five consecutive years i.e. from financial year 2025-26 till financial year 2029-30.

The firm holds a valid Peer Review Certificate. He has given his consent to act as Secretarial Auditor of the Company and confirmed that their aforesaid appointment (if made) would be within the limits specified by the Institute of Company Secretaries of India. They have also confirmed that they are not disqualified to be appointed as Secretarial Auditors and are in compliance with independence requirements as prescribed under the Auditing Standards issued by the Institute of Company Secretaries of India, and other applicable rules and regulations.

The Secretarial Auditor shall be paid such remuneration on annual basis as may be mutually agreed between him and the Board of Directors of the Company.

None of the Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 5.

The Board of Directors recommends the resolution as set out in Item No. 5, for approval of the Members of the Company by way of an Ordinary Resolution.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

In compliance with Regulation 34(3) read with Schedule V(B) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, a Management Discussion and Analysis, forms part of this report as **Annexure-I**.

AUDIT AND AUDITOR'S OUTLOOK

STATUTORY AUDITORS, THEIR REPORT AND NOTES TO FINANCIAL STATEMENTS

In terms of Section 139 of Companies Act, 2013 read with Companies (Audit & Auditors) Rules, 2014 M/s Singhi & Co, Chartered accountant firm (FRN 302049E) were appointed in 29th Annual General Meeting by the company for a period of 5 years.

However, during the year, M/s Singhi & Co., Chartered Accountants (FRN 302049E) resigned due to some personal reasons. Due to their resignation, M/s Neeraj Arora and Associates (FRN: 021309) was

appointed under Casual Vacancy to conduct the Audit for the Financial Year 2024-25 and to hold office till the conclusion of 32nd Annual General Meeting of the Company.

Now, M/s Neeraj Arora & Associates will be appointed for the period of 5 years, i.e, from Financial Year 2025-26 to Financial Year 2029-30 subject to the approval of the members in the ensuing 32nd Annual General Meeting of the Company.

The report of the Statutory Auditors along with Notes on Financial Statements for the year ended March 31, 2025, is enclosed with this report, which is self-explanatory and do not call for any further comments. There is no qualified opinion in the Audit Report.

Further, during the year, the Auditors' has not reported any fraud u/s 143(12) of the Companies Act, 2013 and rules made there under.

INTERNAL AUDITOR

Apart from in-house Internal Audit function, to strengthen and maintain transparency, the Company had also appointed M/s. M/s Gosh Khanna & Co. LLP, Chartered Accountants, (FRN No.003366N), as Internal Auditors of the Company in accordance with Section 138 of the Companies Act, 2013, to examine the effectiveness of internal control system.

Internal auditor is appointed to ensure, monitor and evaluate the efficacy and adequacy of the internal control system of the Company, its compliance with applicable laws/regulations, accounting procedures and policies. Based on the reports of the Internal Auditors, corrective actions will be undertaken, thereby strengthening the controls. Significant audit observations and action plans were presented to the Audit Committee of the Board on a quarterly basis.

SECRETARIAL AUDITOR'S REPORT

In terms of Section 204 of the Companies Act, 2013 and Rules made there under and upon receiving recommendation from Nomination & Remuneration committee, the Board of Directors has appointed M/s. Surbhi Bansal & Associates, Practicing Company Secretaries, New Delhi as Secretarial Auditors of the Company for the financial year 2024-25.

The Secretarial Audit Report for the financial year ended March 31, 2025 was considered and approved in the Board Meeting held on August 29, 2025.

The report of the Secretarial Auditors for the year ended March 31, 2025 is enclosed as **Annexure-II** to this report.

The Secretarial Audit Report does not contain any qualification, reservation or adverse remark which need any explanation or comment of the Board.

COST AUDITORS

The Board of Directors on the recommendation of the Audit Committee, appointed M/s. Mahesh Singh & Co, Cost Accountants (FRN: 100441), as the Cost Auditors of the Company for the Financial Year 2024-25 under Section 148 of the Companies Act, 2013.

M/s Mahesh Singh & Co, Cost Accountants (FRN:100441), have confirmed that their appointment is within the limits of Section 141(3) (g) of the Companies Act, 2013 and have also certified that they are free from any disqualifications specified under Section 141(3) and proviso to Section 148(3) read with Section 141(4) of the Companies Act, 2013.

The Company has also maintained relevant cost accounts and records as specified under Section 148(1) of the Companies Act, 2013.

As per the provisions of the Companies Act, 2013, the remuneration payable to the Cost Auditors is required to be placed before the members in a General Meeting for their ratification. Accordingly, a resolution seeking members' ratification for the remuneration payable to M/s. Mahesh Singh & Co, Cost Accountants, is included in the notice convening the 29th Annual General Meeting.

MATERIAL CHANGES AND COMMITMENT

There are no material changes and commitments affecting the financial position of the Company between the end of financial year of the Company and the date of this report.

ANNUAL RETURN

Pursuant to Section 92(3) and 134(3)(a) of the Companies Act, 2013 ('the Act') and Rule 12(1) of the Companies (Management and Administration) Rules, 2014, Annual Return of the Company is available on the website under 'InvestorRelations' section of the company website i.e. www.kimiabiosciences.com. Investor Relations' section of the company website i.e. www.kimiabiosciences.com. and the same can be assessed at the given link <https://www.kimiabiosciences.com/wp-content/uploads/2021/09/Draft-Annual-Return-2024-25.pdf>

ACKNOWLEDGEMENT

The Board of Directors would like to express their sincere appreciation for the assistance and co-operation received from the financial institutions, banks, Government authorities, customers, vendors and members during the year under review. The Board of Directors also wish to place on record its deep sense of appreciation for the committed services by the Company's executives, staff and workers.

Your Company has been able to operate efficiently during the year financial year because of the culture of professionalism, creativity, integrity and continuous improvement in all functions and areas as well as the efficient utilisation of the Company's resources for sustainable and profitable growth. To them goes the credit for all of the Company's achievements.

And to you, our Shareholders, we are deeply grateful for the confidence and faith that you have always reposed in us.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The pharmaceutical industry has demonstrated remarkable agility by developing highly effective medicines and treatments at an unprecedented pace. Although there was a temporary slowdown in global medicine use in recent years, the industry is expected to return to sustainable growth levels.

The industry's future expansion will depend on multiple factors, including healthcare access, policy measures, and economic as well as geopolitical uncertainties. Over the next five years, the US market is expected to grow at 1–2% CAGR on a net price basis due to the Inflation Reduction Act's conservative outlook, while Europe is expected to focus on generics and biosimilars, leading to greater pressure on the pricing of novel medicines. The Asia-Pacific region is projected to maintain steady growth, although China's growth may moderate due to pricing pressures.

Expanding healthcare access in most countries and increased spending on new medicines are likely to drive growth in these markets. However, the presence of off-patent branded medicines and the low pricing of generic medicines may temper growth potential.

According to IQVIA, the pharmerging markets are expected to grow 5–8% in spending through 2027. Meanwhile, lower-income countries are expected to experience a CAGR of 4.5–7.5% in spending growth, with projected spending of US\$29–33 billion by 2027, up from US\$23.2 billion in 2022, the same report noted.

INDUSTRY STRUCTURE AND DEVELOPMENTS

India, a Leading pharma producer:

India is the largest provider of generic drugs globally and is widely recognized for its affordable vaccines and generic medications. The Indian pharmaceutical industry is currently ranked third worldwide in pharmaceutical production by volume and has evolved into a thriving sector, growing at a CAGR of 9.43% over the past decade. Key segments include generic drugs, over-the-counter medications, bulk drugs, vaccines, contract research & manufacturing, biosimilars, and biologics. India also has the highest number of pharmaceutical manufacturing facilities compliant with the US Food and Drug Administration (USFDA) and around 500 API producers, accounting for nearly 8% of the global API market.

India's economy continues to benefit from strong fundamentals such as a young, tech-savvy population and a growing emphasis on innovation. Despite global geopolitical and economic headwinds, India remains one of the fastest-growing major economies. According to the World Bank, the country's economy is projected to expand at around 6.5% in FY25, driven by resilient domestic demand and policy support.

The government is taking significant steps to improve healthcare access through flagship initiatives such as the Ayushman Bharat programme, which provides healthcare insurance coverage to more than 500 million people, and the National Health Stack, which aims to establish a unified digital healthcare framework across the country. These measures are expected to improve health outcomes and support long-term economic growth.

Recent growth momentum has been fueled by strong private consumption, which has emerged as a primary growth driver, alongside steady increases in production activity and capacity utilisation across sectors. Improved consumer confidence has contributed to higher spending on services such as retail, hospitality, travel, and entertainment. The government's sustained focus on infrastructure investment has further accelerated economic activity. In FY24, central government capital expenditure continued its sharp upward trajectory, laying the foundation for further private sector participation. The strengthening of corporate balance sheets, improved credit availability, and rising private capital expenditure are expected to reinforce growth in FY25 and beyond.

Internal Control systems

The Company has an adequate system of internal controls commensurate with the nature, size and complexity of its manufacturing, finance and marketing operations including controls over financial reporting. The company has adopted well laid down processes and procedures, encapsulating all its operations, financial and compliance functions, for efficient and orderly conduct of its business, adherence to the Company Policies, safeguarding its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records and timely preparation of reliable financial information and compliance with applicable statutes and rules and regulations thereunder. Appropriate review and control mechanisms are in place for ensuring the internal control systems are operating effectively. The internal control system is supported by qualified personnel and a continuous program of internal audit. The prime objective of such audits is to test the adequacy and effectiveness of all internal control systems laid down by the management and to suggest improvements, robustness of internal processes, policies and accounting procedures, compliance with laws and regulations. For this purpose, a yearly audit plan will be made with the approval of the Audit Committee of the Board of Directors. The internal audit function, reports directly to the Audit Committee, maintaining independence and objectivity in its function. Based on the reports of internal audit function, respective process owners carryout corrective action in their areas. The Audit Committee reviews the significant audit observations and status of rectification measures thereon regularly. The Audit committee also reviews internal controls over financial reporting and ascertain with the statutory auditors about its adequacy and effective operation. Based on its review and report of the statutory auditors, the internal financial controls during the year are adequate and operating effectively. The Company also encourages and recognizes improvements in work practices. The Management duly considers and takes appropriate action on the recommendations made by the internal auditors, statutory auditors, and the Audit Committee.

Risk Management

Kimia lays emphasis on risk management and has an enterprise-wide approach to risk management, which lays emphasis on identifying and managing key operational and strategic risks with a dynamic business continuity plan. The Company strives to identify opportunities that enhance organisational values while managing or mitigating risks that can adversely impact its future performance through:

- Integrated process for identification, assessment and reporting
- Decentralized management of specific opportunities and risks and
- Aggregation at corporate level monitored by the Risk Management Committee with the overall direction and control by the Board.

Risk Management Process

1. Risk identification: Risks are identified through discussion with Business heads and updated risk registers.
2. Risk assessment: Evaluation of risks to determine likelihood of occurrence and its impact to prioritise risk and mitigate within tolerance limit.
3. Risk mitigation: Risk mitigation procedures involve undertaking appropriate actions by the business heads/ process owners who are accountable to mitigate risks within adequate timelines. Progress of mitigation actions are monitored and reviewed periodically.
4. Risk monitoring & reporting: Risk reports are submitted to the Risk Management Committee periodically. The assessment of key risks, analysis of exposure and potential impact are carried out periodically, presented and discussed with RMC. Periodic updates are provided to the Board highlighting key risks, their subsequent impact, and the required mitigation measures.

Mitigation strategy

Kimia is committed to supplying the highest quality medicines to customers for promoting healthier lives. Hence, the Company strives to conform to regulatory and compliance standards to meet stringent requirements of regulators to ensure that our medicines provide best health care for the consumers. Robust quality systems & control measures are in place to ensure that the quality is ensured by process design. The Company is constantly improving compliance practices by imposing strict adherence to its code of conduct that is focused on ethics and integrity, which reduces risk of non-compliance. To drive the compliance initiatives and achieve

a culture of compliance, Kimia's Senior Management has initiated a Quality Culture Excellence programme. The Company has leveraged industry expertise by engaging an US-based consulting firm to establish, train and constantly monitor Quality Culture Excellence. An organisation-wide training has been kickstarted and is currently ongoing at all levels. A powerful multi-dimensional monitoring tool to measure Quality Culture Maturity has been developed and shall be used to quantify and improve, where required, the progress of implementation of the Quality Culture Excellence initiative. The Company has a robust "Statutory compliance system/ solution" (Vision 360 Tool) for ensuring compliance with all applicable laws and it is designed to meet the compliance goals of the Company. Periodic updates to the system are made as and when there is a change in any applicable law. Quarterly compliance declarations generated electronically from the system are submitted to the compliance officer. Quarterly compliance audit is done by the transaction auditors to ensure that compliance is mapped with applicable laws. In case of any non-compliance, necessary steps are taken by the concerned functional heads for compliance. There is continuous monitoring by the QC/QA team to deliver the highest quality. The Company has a talent pool of over scientists and analysts, who have proficiency and experience in handling complex chemistry and filing of applications with the regulatory authorities.

Human Resources

We consider employees as an integral part of our operations and we put in place appropriate compensation plans, feedback process, continuing training and upgradation of skills in their functional areas. Employee relations are affable and harmonious with safe and healthy working environment and all-round contribution and participation in the growth. The Company sincerely appreciates the hardwork and dedication of employees despite the covid-19 pandemic and working in the factories/offices complying with all covid safety measures.

Environment, health and safety

As the Company's manufacturing operations involve complex chemical reactions, risks exist on any issues relating to safe operations and environment compliances. Kimia policies and processes are designed and reviewed from time to time to adhere to all applicable regulations on the environment management, employee health and safety. Continually strives to optimize the resources and upgrade its processes in order to reduce the environmental impact of its processes, products and services, besides ensuring health and safety of employees involved in the processes.

Information Technology (IT)

The Company has put in place an IT policy in order to ensure consistency, protection and security of data and IT systems to ensure smooth business processes. The systems used for information security are constantly tested, continuously updated and expanded. In addition, our employees are regularly trained on data protection and safety including secure online banking transactions. IT-related risk management exercise is conducted using appropriate protocols and tools.

Business continuity

The Company has appropriate strategies for business continuity for addressing disruptive events, of various nature, on business operations and has set up a comprehensive and proactive framework to mitigate such disruptive events by deploying available alternative solutions; and reduce their potential damages.

A Responsible Organisation

Kimia Biosciences Limited (KBL), the philanthropic arm of the Company, remains committed towards the growth and well-being of the community through various programmes and activities. The Foundation's CSR efforts focus on several aspects of society, including nutrition, education, health and hygiene, women empowerment, rural development, and disaster management. With a dedicated team of people, the Company has partnered with several charitable organisations for improving the quality of life in the society.

CURRENCY FLUCTUATION RISKS

Currency risks mainly arise out of overseas operations and financing activities. Exchange rate fluctuations could significantly impact earnings and net equity because of invoicing in foreign currencies, expenditure in foreign currencies, foreign currency borrowings and translation of financial statements of overseas subsidiaries into Indian rupees. The Company has a defined foreign exchange risk management framework to manage these risks excluding translation risks.

New technologies' impact on Pharma: An ongoing issue for the pharmaceutical industry is how new technologies, particularly digital-related technologies, will impact drug development and commercialization. The Company reports emerging technologies in healthcare as a whole, such as artificial intelligence, 3D printing and their impacts on business models, operations, workforce needs and cyber security risks as well as the positive impact of a digitized supply chain in reducing manufacturing costs.

OPPORTUNITIES AND THREATS

The Pharmaceutical industry is a highly dynamic and competitive market. The Indian Pharma Industry is faced with significant export opportunities. Marketing alliances for MNC products in domestic and international market is another emerging opportunity. India can become a niche player in global pharmaceutical R&D and possibilities exist for expansion of biotechnology generics (also known as bio-similar) and biopharmaceuticals.

However, product patent regime poses serious challenge to domestic industry unless it invests in research and development. R&D efforts of Indian pharmaceutical companies are hampered by lack of enabling regulatory requirement. This threat does not affect Kimia Biosciences as a large portion of capital is invested in R&D for the company. The company has volatile and dynamic market strategies to cope with various market changes and challenges.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The sale of manufactured goods done by company is 11,892.08 Lakhs during the year 2024-25 in comparison to 11,892.08 Lakhs for the year 2023-24.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

In the context of people employed, there has been significant increase in workforce employed during the financial year 2024-25 as compared to the previous year.

FORM NO. MR-3 SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025
[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members

Kimia Biosciences Limited
CIN: L24239HR1993PLC032120
Village Bhondsi, Tehsil Sohna Distt Gurgaon, Haryana-122102

We have conducted the Secretarial Audit in respect of the compliance of applicable statutory provisions and the adherence to good corporate practices by Kimia Biosciences Limited (hereinafter referred to as “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minutes book, forms and returns filed and other records maintained by Kimia Biosciences Limited and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion the Company has, during the audit period covering the financial year ended on March 31, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025, to the extent applicable, and according to the provisions of:

- (i)** The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii)** The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii)** The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv)** Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v)** The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a)** The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b)** The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c)** The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 amendments made therein from time to time; **Not Applicable.**

d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **Not Applicable**

e) The Securities and Exchange Board of India (Registrars to Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.

f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008: **Not Applicable**

g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents), Regulations, 1993 regarding the Companies Act and dealing with client: **Not Applicable.**

h) Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009: **Not Applicable**

i) Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998.

j) Other Laws as applicable specifically to the Company:

I. The Drug and Cosmetics Act, 1940.

II. The Narcotics Drugs and Psychotropic Substances Act, 1985.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India.

(ii) SEBI (The Listing Obligation Disclosure Requirement) Regulations 2015 by the Company with the BSE Limited.

During the year under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, and Standards etc. The observation made in Secretarial Report for the year ended 31st March, 2025 is as follows:

We report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

Adequate notice was given to all directors of the Board Meetings, and the agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board meetings were carried out through majority and the views of the dissenting members, if any, were captured and recorded as part of the minutes of meetings.

We further report that during the audit period, the following important events/ actions having bearing on the company affairs in pursuance of the above referred laws, rules, regulation, guidelines and standard were taken:

1. Resignation of Mr. Lakshay Prakash as a Company Secretary of the Company, with effect from 12th August, 2024.
2. Appointment of Mrs. Pallavi Garg as Company Secretary of the Company with effect from 11th November, 2024.

The Company Secretary of the Company, Lakshay Prakash, resigned from the position with effect from 12th August, 2024. The Company did not appoint any Company Secretary in his/her place until 11th November, 2024.

Accordingly, during the intervening period, there have been instances of non-compliance as per the records made available by the Company.

The Board takes note of the same and affirms that the Company shall ensure to make good all such compliances in the current financial year 2025–26, thereby regularising the statutory records and bringing them in line with the provisions of the Companies Act, 2013 and applicable rules.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

3. Meetings of the Board of Directors

Appointment and Tenure

The Directors of the Company are appointed by Members at the General Meetings.

As regards the appointment and tenure of Independent Directors, the following policy has been adopted by the Board:

- The Company has adopted the provisions with respect to appointment and tenure of Independent Directors which are consistent with the Companies Act, 2013 and SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015.
- The Independent Directors will serve a maximum of two terms of five years each.
- The Company would not have any upper age limit of retirement of Independent Directors from the Board and their appointment and tenure will be governed by provisions of the Companies Act, 2013.

Board Independence

The interpretation of the term 'Independence' of Directors has been based on Regulation 25 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 and Section 149(6) of the Companies Act, 2013. Upon confirmation

/ disclosures received from the Directors and on evaluation of the same, all Non-Executive Directors, other than the Chairman and Promoter Directors, are confirmed to be Independent.

Separate Independent Directors Meetings

The Independent Directors met once during the year under report, i.e., March 28, 2025, without the presence of Executive Directors or Management representatives.

The Independent Directors, inter alia, discussed the following:

- the performance of non-Independent Directors and the Board as a whole;
- the performance of the Chairman of the Company, taking into account the views of Executive Directors and Non- Executive Directors; and
- the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

In addition to these formal meetings, interactions outside the Board meetings also take place between the Chairman and Independent Directors.

Appointment Letter and Familiarisation programmes for the Board Members

At the time of appointing a director a formal letter of appointment is given to him/ her, which inter alia explains the roles, functions, duties and responsibilities expected to be discharged by him/ her during his/ her tenure as director of the Company.

The Independent Directors go through a familiarisation programme to familiarise them with the Company, their role, rights, responsibilities in the Company, nature of industry in which the Company operates, business model, management structure, industry overview, internal control systems and processes and the like.

Details of the familiarisation programme of the Company may be accessed at web link: <http://www.raas.co.in/investor.html>.

Board Meetings

During the year ended March 31, 2025, Six (6) meetings of the Board of Directors were held on May 30, 2024, June 28, 2024, August 14, 2024, November 14, 2024, December 05, 2024, and February 13, 2025.

4. Committees of the Board

The Board has established the following statutory and non-statutory committees:

Audit Committee

The Audit Committee comprises Mr. Jagdeep Dhawan as Chairman, Mr. Sameer Goel as Member and as Richa Gupta as Member.

The Company Secretary is the Secretary of the Committee.

The terms of reference of the Audit Committee are as per Regulation 18 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Section 177 of the Companies Act, 2013, and includes such other functions as may be assigned to it by the Board. Audit Committee of the Company is entrusted with the responsibility to supervise the Company's internal controls and financial reporting process and inter alia perform the following functions, amongst others:

- a) Overseeing the Company's financial reporting process and disclosure of financial information to ensure that the financial statements are correct, sufficient and credible;
- b) Recommending to the Board, the appointment, re-appointment of the Statutory Auditor and Internal Auditor and fixation of audit fees and approval for payment of any other services;
- c) Reviewing with the Management, the annual financial statements before submission to the Board for approval;
- d) Reviewing with the Management, the quarterly and annual Financial Statements before submission to the Board for approval;

- e) Reviewing with the Management the performance of the Statutory Auditors and the Internal Auditors and the adequacy of internal audit systems
- f) Reviewing with the Management the adequacy of internal audit functions.

The meetings of Audit Committee are also attended by the Chief Financial Officer, Statutory Auditors and Internal Auditor as special invitees. The Company Secretary acts as the Secretary to the Committee. The minutes of each Audit Committee meeting is placed and confirmed in the next meeting of the Board.

The Audit Committee met Four(4) times during the financial year ended March 31, 2025 which were held on 30.05.2024, 14.08.2024, 14.11.2024 and 13.02.2025.

Nomination and Remuneration Committee

The Nomination and Remuneration Committee comprises Mr. Jagdeep Dhawan as Chairman and Ms Richa Gupta and Mr. Vipul Goel, as Members.

In terms of Section 178(1) of the Companies Act, 2013 and Regulation 19 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, the Nomination and Remuneration Committee should comprise of at least three Directors, all of whom should be Non-Executive Directors. At least half of the Committee members should be Independent with an Independent Director acting as the Chairman of the Committee.

The Company Secretary is the Secretary of the Committee.

The terms of reference of the Nomination and Remuneration Committee is in accordance with the Companies Act, 2013 and Part II of Schedule D of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which inter alia deals with manner of selection of Directors, Key Managerial Personnel and Senior Management Personnel, formulation of criteria for evaluation of the performance of the Directors and determining the remuneration of Key Managerial Personnel and other employees of the Company.

The Nomination and Remuneration Committee met 1 time during the financial year on 11.11.2024. .

Stakeholders' Relationship Committee

The Stakeholders' Relationship Committee comprises Mr. Jagdeep Dhawan as Chairman and Ms. Richa Gupta and Mr. Vipul Goel, as Members.

The Committee oversees the performance of the Registrar and Share Transfer Agent and recommends measures for overall improvement in quality of investor service. The committee also looks into redressal of shareholders'/ investors complaints.

During the Financial Year ended March 31, 2025, the Committee met 3 times on 24.05.2024, 08.11.2024 and 24.02.2025.

The Company Secretary is designated as the Compliance Officer for resolution of Shareholders' complaints.

All the requests received during the year for issue of new share certificates after split of shares and request for Transfer of Shares were attended to and resolved satisfactorily.

CSR Committee

The CSR Committee comprises Mr. Sameer Goel as Chairman and Mr. Jagdeep Dhawan and Ms. Richa Gupta, as Members.

The Company Secretary is the Secretary of the Committee. The role of CSR Committee inter alia includes:

The Corporate Social Responsibility Committee shall —

- (i) formulate and recommend the CSR policy to the Board;
- (ii) recommend the amount of expenditure to be incurred on CSR activities;
- (iii) monitor the CSR policy of the company from time to time; and
- (iv) formulate and recommend to the Board, an annual action plan in pursuance of its CSR policy, which shall include the items as mentioned in rule 5(2) of the Companies (CSR Policy) Rules, 2014.

During the financial year ended March 31, 2025, the Committee met on August 19, 2024 and March 29, 2025.

5. Affirmation and Disclosures

All the members of the Board and Management have affirmed their compliance with the Code of Conduct as on 31st March, 2025 and a declaration to that effect, signed by the Chief Financial Officer (CFO), is attached and forms part of this Report. There were no material financial or commercial transaction, between the Company and members of the Management that may have a potential conflict with the interest of the Company at large. All details relating to financial and commercial transactions where Directors may have a pecuniary interest are provided to the Board and the interested Directors neither participate in the discussion nor vote on such matters.

6. Disclosures on materially significant related party transactions

Attention of Members is drawn to the disclosure of transactions with related parties which are set out in Notes on Accounts – **Note No. 40**—forming part of the audited accounts of the Company. None of the transactions with any of the related parties were in conflict with the interests of the Company.

7. Shareholder Information General Body Meetings

CERTIFICATE ON COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE

To
The Members
Kimia Biosciences Limited

I have examined the compliance conditions of corporate governance by Kimia Biosciences Limited for the financial year ended March 31, 2025 as stipulated in Chapter IV of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. My Examination was limited to procedures and implementation thereof, adopted by the Company for ensuring compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company. In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in (Listing Obligation and Disclosure Requirement) Regulations, 2015.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF KIMIA BIOSCIENCES LIMITED

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying the financial statements of **KIMIA BIOSCIENCES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

Our responsibility is to express an opinion on the financial statements based on our audit.

We have considered the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

- a) Note 8 to the financial statements which, describes the value of the Inventories to be Rs.3,458.31 (in Lakhs). The assessment of impairment of inventories involves significant estimation uncertainty, subjective assumptions and the application of significant judgement. Reviews are made periodically by third party on inventories for obsolescence and decline in net realizable value below cost. Allowances are recorded against the inventories for any such declines based on historical obsolescence and slow-moving history. Key factors considered include the nature of the stock, its ageing, shelf life and turnover rate. Our opinion is not modified in respect of these matters.

Other Matter

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the management Discussion & Analysis, Board's Report, Business Responsibility and Sustainability report and Corporate Governance report, including Annexures, but does not include the financial statements and our auditor's report thereon.

Our Opinion on the financial statements does not cover the other information and we don't express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information, in doing so, consider whether the such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. Our opinion is not modified in respect of this matter.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation the financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease the operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give on "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. **A.** As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the para 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014;
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 28(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014;
 - (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report,

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- (a) The Company has disclosed the impact of pending litigations on its financial position in its financial statements-Refer Note 37 to the financial statements;
- (b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

- (c) There was no amount which required to be transferred to the Investor Education and Protection Fund by the Company.
- (d) (i) The management has represented that, to the best of its knowledge and belief as disclosed in the Note 48(f)(i) to the financial statements, no funds have been advanced closed or loaned or invested during the year (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise that the intermediaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (ii) The management has represented, that, to the best of its knowledge and belief, as disclosed in the Note 48(f)(i) to the financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, and
- (iii) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d)(i) and (d)(ii) above contain any material misstatement
- (e) The Company has not declared and paid any dividend during the year. Therefore, provisions of section 123 of the Act is not applicable to the Company.
- (f) The Company has used accounting software (SAP) for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in SAP and the audit trail feature has not been tampered with. However, the feature of recording audit trail (edit log) has not been enabled for database level to log any direct data changes for the accounting software used for maintaining the books of accounts in SAP.

C. With respect to the matter to be included in the Auditor's report under Section 197(16) of the Act:

In our opinion, the Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report of even date to the members of Kimia Biosciences Limited on the financial statements as of and for the year ended March 31, 2025 (Referred to in paragraph 1 of our report on the other legal and regulatory requirements)

- (i) a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment, however the same need to be updated;

(B) The Company has maintained proper records showing full particulars of intangible assets.

b. The Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified once in every three years in phased manner, which in our opinion, is at reasonable intervals having regard to the size of the Company and nature of its property, plant and equipment. According to programme, property, plant and equipment were physically verified in previous year.

c. Based on records examined by us, the title deeds of immovable properties (other than Immovable properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in the financial statements are held in the name of the Company.

d. On the basis of our examination of records of the Company, the Company has not revalued any of as property, plant and equipment (including right of use assets) or intangible assets during the year. Therefore, the provisions of clause 3(i)(d) of the Order are not applicable to the Company.

e. According to information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder. Therefore, the provisions of clause 3(i)(e) of the Order are not applicable to the Company.

(ii) a. According to the information and explanation given records examined by the us, the Inventories have been physically verified by the management during the year and in our opinion coverage and procedure of such verification by the management is appropriate having regard to the size of the Company and nature of its business. No discrepancies of 10% or more in the aggregate for each class of Inventory were noticed as compared to the book records.

b. According to the information and explanation given to us and records examined by us, the Company has been sanctioned working capital limits in excess of 5 crore rupees in aggregate, from bank on the basis of security current assets. As informed to us, the Company has submitted its quarterly returns and statements online via the Banker's portal. However, it has not been able to extract the corresponding correspondence for these submissions. As a result, the necessary disclosures related to the variance between the quarterly returns/ statements submitted and the books of the accounts could not be provided.

(iii) The Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. Therefore, the provisions of clause 3(iii) of the Order are not applicable to the Company.

(iv) The Company has no transaction with respect to loan, investment, guarantee and security covered under section 185 and 186 of the Companies Act, 2013 during the year. Therefore, the provisions of clause 3(iv) of the Order are not applicable to the Company.

(v) The Company has not accepted any deposit or amount during the year which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act, 2013 Therefore, provisions of clause 3(v) of the Order are not applicable to the Company.

(vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013 in respect of the Company's products to which the said rules are applicable and are of the opinion that prima facie, the prescribed records have been made and maintained. We have not, however, made a detailed examination of the said records with a view to determine whether they are accurate or complete.

(vii) a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-tax, Sales tax, Service tax. Duty of customs, Duty of excise, Value Added tax, cess and other statutory dues, to extent applicable with the appropriate authorities. There were no undisputed outstanding statutory dues as at the yearend for a period of more than six months from the date they became payable

b. According to the information and explanation given to us and the records of the Company examined by us, there are no statutory dues referred to in sub-clause (a) on account of any dispute except the followings :

Name of Statute	Nature of disputed dues	Amount (Rs. In lakhs)	Period to which it relates	Forum where dispute is pending
Punjab Value Added Tax, 2005	Penalty	11.67	2014-15	Panchkula High Court

(viii) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account in the tax assessments under the Income Tax Act, 1961 as income during the year.

(ix) a. The Company has not defaulted in repayment of loans or is the payment of interest thereon during the year.

b. According to information and explanations given to us and on the basis of our audit procedures we report that the Company has not been declared willful defaulter by any bank or financial institution or Government of any Government authority.

c. Based on the books of account examined by us, term loans were applied for the purpose for which the loans were obtained during the year.

d. According to information and explanations given to us, and overall examination of financial statements of the Company, we report that no funds raised on short term basis during the year have been utilized for long term purpose by the Company.

e. The Company has no subsidiaries, joint ventures or associate. Therefore, the provisions of clause 3(ix)(e) and 3(ix)(f) of the Order are not applicable to the Company.

(x) a. During the year, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments). Therefore, the provisions of clause 3(x)(a) of the Order are not applicable to the Company.

b. The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, the provisions of clause 3(x)(b) of the Order are not applicable to the Company.

(xi) a. Based upon the audit procedures performed and considering the principles of materiality outlined in Standards on Auditing, for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company noticed or reported during the year nor have been informed of any such case by the management during the course of audit.

b. According to the information and explanation given to us, no report under subsection (12) of section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year.

c. According to the information and explanation given to us, no whistle-blower complaints received by the Company during the year.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.

(xiii) According to the information and explanation given to us and based on our examination of records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and details for the same have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.

(xiv) a. According to information and explanation given to us, the Company has an internal audit system. However in our opinion, same need to strengthened further in commensurate with the size and nature of its business.

b. We have considered internal audit reports of the Company issued till date for the period under audit.

(xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with them as referred to in section 192 of the Companies Act, 2013. Therefore, the provisions of clause 30(xv) of the Order are not applicable to the Company.

(xvi) a. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Therefore, the provisions of clause 3(xvi)(a) of the Order are not applicable to the Company.

b. In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year Therefore, the provisions of clause 3(xvi)(b) of the Order are not applicable to the Company.

c. In our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Therefore, the provisions of clause 3(xvi)(c) of the Order are not applicable to the Company.

d. According to the representations given to us, there is no CIC as part of the Group. Therefore, the provisions of clause 3(xvi) of the Order are not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance short date, will get discharged by the Company as and when they due.

(xx) a. In the financial years 2021–22 and 2022–23, a provision for Corporate Social Responsibility (CSR) amounting to ₹0.97 lakh and ₹6.89 lakh respectively was inadvertently created, despite the company incurring losses in both years and thus not being liable to make such provisions under the applicable CSR regulations. During the current financial year, a total amount of ₹7.86 lakh has been reversed and rectified in the books of accounts to correct the earlier error. This adjustment ensures compliance with CSR requirements as per the Companies Act, 2013.

b. The Company has set up state of art Research & Development centre with the Registered Office Premises but in a separate building/unit at Village: Bhondsi, Tehsil: Sohna, District : Gurgaon, Haryana for development of new Product/processes, improvement in existing product process for cost reduction & to develop new APIs. The said Facility is duly recognised & approved by Department of Scientific and Industrial Research (DSIR) vide Registration No. TU/IV-RD/4410/2018 dated 22/01/2019. The Company has maintained separate accounts for its R&D Facility and proper record have been maintained as per the Income Tax Rules & as prescribed by DSIR in this regard.

Revenue expenditure on Research and Development is charged as expenses under the head "Research and Development" in the year in which it is incurred. Capital expenditure incurred on equipment and facilities that are acquired for research and development activities is capitalised and depreciated according to the policy followed by the Company.

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

1 Corporate Information

KIMIA Biosciences Limited referred to as “the Company” is a public limited company incorporated in India with its registered office located at Village Bhonsi, Tehsil Sohna, Distt. Gurgaon -122102, Haryana, India. Equity shares of the Company are listed in India on the BSE Ltd..

The main objective of the Company is to carry on business of Pharmaceutical products. The Company has own manufacturing of Bulk Drugs-APIs at its plant located at Village Bhonsi, Tehsil Sohna, Distt. Gurgaon-122102, Haryana in accordance with Good Manufacturing Practices (GMP) Standards for pharmaceutical production. The Company has also obtained manufacturing license from the State Drugs Controller-cum-Licensing Authority, Food and Drugs Administration, Haryana in order to manufacture final product Bulk Drugs Active Pharmaceutical - (APIs).

Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act 2013, read with Companies (Indian Accounting Standard) Rules, 2015 as amended time to Accounting Policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing accounting standard required a change in the accounting policy hitherto in use.

The Board of Directors has approved the financial statements for the year ended March 31, 2025 and authorized for issue on May 26, 2025. However, shareholders have the power to amend the financial statements after issue.

Basis of preparation

The financial statements have been prepared on a historical cost basis except certain items that are measured at fair value as explained in accounting policies.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116 – Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets.

These financial statements are presented in Indian National Rupee (‘₹’), which is the Company’s functional currency. All amounts have been rounded to the nearest ₹ Lakhs, except when otherwise indicated.

Use of estimates and critical accounting judgements

In the preparation of financial statements, the Company makes judgements in the application of accounting policies; and estimates and assumptions which affects carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment, useful lives of property, plant and equipment and intangible assets, valuation of deferred tax assets, provisions and contingent liabilities, fair value measurements of financial instruments and retirement benefit obligations as disclosed below:

Useful lives of property, plant and equipment and intangible assets

The Company has estimated the useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

Impairment

An impairment loss is recognised for the amount by which an asset's or cash-generating unit's carrying amount exceeds its recoverable amount to determine the recoverable amount, management estimates expected future cash flows from each asset or cash generating unit and determines a suitable interest rate in order to calculate the present value of those cash flows. In the process of measuring the Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rates and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

Valuation of current tax and deferred tax assets

The tax jurisdictions for the Company is India. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods. The recognition of current and deferred taxes that are subject to certain legal or economic limits or uncertainties is assessed individually by management based on the specific facts and circumstances. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as result of a past event and it is probable that the outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent Liability may arise from the ordinary course of business in relation to claims against the Company. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events. Contingent liabilities are not recognised in the financial statements.

Fair value measurements of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including Discounted Cash Flow Model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair value. Judgements include considerations of inputs such as liquidity risks, credit risks and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Retirement benefit obligations

The Company's retirement benefit obligations are subject to number of assumptions including discount rates, inflation and salary growth. Significant assumptions are required when setting these criteria and a change in these assumptions would have a significant impact on the amount recorded in the Company's balance sheet and the statement of profit and loss. The Company sets these assumptions based on previous experience and third party actuarial advice.

2 Material Accounting Policies

Accounting Policies have been consistently applied except where a newly issued accounting standards is initially adopted or a revision to an existing accounting standard required a change in the accounting policy hitherto in use.

The material accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

a) Operating cycle and current versus non-current classification

Based on the nature of goods manufactured and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/ noncurrent classification of assets and liabilities.

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All the other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities respectively.

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

b) Property, plant, and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2015 measured as per the previous Generally Accepted Accounting Principles (GAAP). Property, plant and equipment acquired under the Scheme of Amalgamation, has been stated at value determined on appointed date i.e. April 1, 2019 as defined under Ind AS 103 "Business Combination". Subsequent additions are made at cost. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised. Borrowing costs and incidental expenses incurred during the period of construction are capitalised upto the date when the assets are ready for intended use.

An item of property, plant and equipment is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is derecognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

The gain or loss arising on disposal of an item of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item, and is recognised in the statement of profit and loss.

c) Intangible assets (other than Goodwill)

Intangible assets (other than goodwill) are stated at cost of acquisition or construction less accumulated amortisation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of intangible assets recognised as at 1st April, 2015 measured as per the previous Generally Accepted Accounting Principles (GAAP). Intangible assets acquired under the Scheme of Amalgamation, has been stated at value determined on appointed date i.e. April 1, 2019 as defined under Ind AS 103 "Business Combination". Intangible assets subsequently purchased are measured at cost as at the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

d) Capital work-in-progress

Capital work-in-progress representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

e) Depreciation and amortisation of property, plant and equipment and intangible assets

Depreciation is calculated on Straight Line Method using the rates arrived at based on the estimated useful lives given in Schedule II of the Companies Act, 2013. In case of assets acquired under the Scheme of Amalgamation estimated life has been re-assessed by the Company basis technical assessment, which is equivalent to estimated useful lives stated in Schedule II to the Companies Act, 2013.

Assets value up to ₹5,000 are fully depreciated in the year of acquisition.

Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use.

Depreciation on all assets commences from the dates the assets are available for their intended use and are spread over their estimated useful economic lives or, in the case of leased assets, over the lease period or estimated useful life whichever is less. The estimated useful lives of assets and residual values are reviewed at each reporting date and, when necessary, are revised.

f) Borrowing and Borrowing Costs

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Statement of profit and loss over the period of the borrowings using the effective interest method. Borrowings are derecognised from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a borrowings that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of profit and loss as other gains/(losses). Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Ancillary costs incurred in connection with the arrangement of borrowings are adjusted with the proceeds of the borrowings.

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

g) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

For assets an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h) Inventories

Inventories are valued as follows:

Raw materials and stores and spares - Lower of cost and net realisable value. Cost is determined on a weighted average basis. Materials and other items held for use in the production of inventories are not written down below costs, if finished goods in which they will be incorporated are expected to be sold at or above cost.

Work-in-progress, plantation work-in-progress and finished goods - Lower of cost and net realisable value. Cost includes direct materials, labour and a proportion of manufacturing overheads.

Waste - At net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale. However, materials and other items held for use in the production of finished goods are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Provision for obsolete/ old inventories is made, wherever required.

i) Revenue Recognition

The Company recognizes revenue when it satisfies a performance obligation in accordance with the provisions of contract with the customer. This is achieved when;

- effective control of goods along with significant risks and rewards of ownership has been transferred to customer;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue represents net value of goods sold to customers after deducting for certain incentives including, but not limited to discounts, volume rebates, etc. For incentives offered to customers, the Company makes estimates related customer performance and sales volume to determine the total amounts earned and to be recorded as deductions. The estimate is made in such a manner, which ensures that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The actual amounts may differ from these estimates and are accounted for prospectively.

The Company considers shipping and handling activities as costs to fulfill the promise to transfer the related products and the customer payments for shipping and handling costs are recorded as a component of revenue. In certain customer contracts, shipping and handling services are treated as a distinct separate performance obligation and the Company recognizes revenue for such services when the performance obligation is completed.

Revenue are net of Goods and Service Tax. No element of significant financing is present as the sales are made with a credit term, which is consistent with market practice.

Revenue (other than sale) is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Export incentives are recognized when there is reasonable assurance that the Company will comply with the conditions and the incentives will be received.

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

Interest and dividend income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividends are recognised at the time the right to receive payment is established.

Contract balances

Contract assets: Contract assets are recognised when there are excess of revenues earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract liabilities: A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

j) Research and Development Expenses

Revenue expenditure on Research and Development is charged as expenses under the head "Research and Development" in the year in which it is incurred. Capital expenditure incurred on equipment and facilities that are acquired for research and development activities is capitalised and depreciated according to the policy followed by the Company.

k) Foreign currencies

The Company's financial statements are presented in Indian Rupees, which is also its functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rate of exchange at the reporting date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in statement of profit or loss are also recognised in OCI or statement of profit or loss, respectively).

l) Income Taxes

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted in India, at the reporting date.

Current tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets is offset against current tax liabilities if, and only if, a legally enforceable right exists to set off the recognised amounts and there is an intention either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax liabilities are generally recognised for all the taxable temporary differences.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

m) Employee benefit

Short-term benefits

Short-term employee benefits are expensed in the year in which the related services are provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

Retirement benefit in the form of provident fund and superannuation fund are defined contribution schemes. The Company has no obligation, other than the contribution payable to the provident fund and superannuation fund. The Company recognizes contribution payable to the provident fund scheme and superannuation fund scheme as an expense, when an employee renders the related service.

Defined benefits plans

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. Gratuity is a defined benefit obligation.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method at each reporting date. In respect of post-retirement benefit re-measurements comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to statement of profit or loss in subsequent periods.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier.

Other long-term benefits

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date. Actuarial gains/ losses on the compensated absences are immediately taken to the statement of profit and loss and are not deferred. The obligation is measured on the basis of independent actuarial valuation using project unit credit method at each reporting date.

n) Leases

Company as a lessee

The Company assesses if a contract is or contains a lease at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period time in exchange for consideration.

The Company recognizes a right-of-use asset and a lease liability at the commencement date, except for short-term leases of twelve months or less and leases for which the underlying asset is of low value, which are expensed in the statement of operations on a straight-line basis over the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease, or, if not readily determinable, the incremental borrowing rate specific to the company, term and currency of the contract. Lease payments can include fixed payments, variable payments that depend on an index or rate known at the commencement date, as well as any extension or purchase options, if the Company is reasonably certain to exercise these options. The lease liability is subsequently measured at amortized cost using the effective interest method and remeasured with a corresponding adjustment to the related right-of-use asset when there is a change in future lease payments in case of renegotiation, changes of an index or rate or in case of reassessments of options.

The right-of-use asset comprises, at inception, the initial lease liability, any initial direct costs and, when applicable, the obligations to refurbish the asset, less any incentives granted by the lessors. The right-of-use asset is subsequently depreciated, on a straight-line basis, over the lease term, if the lease transfers the ownership of the underlying asset to the Company at the end of the lease term or, if the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, over the estimated useful life of the underlying asset. Other are also subject to testing for impairment if there is an indicator for impairment. Variable lease payments not included in the measurement of the lease liabilities are expensed to the statement of operations in the period in which the events or conditions which trigger those payments occur. In the statement of financial position right-of-use assets and lease liabilities are classified respectively as part of property, plant and equipment and short-term/long-term debt.

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

o) Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

In those cases where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognised.

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognised because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in other notes to financial statements.

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent assets are not recognised. However, when inflow of economic benefits is probable, related asset is disclosed.

p) Earnings per share

Basic earnings per equity share is computed by dividing net profit or loss for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing net profit or loss for the year attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

q) Cash and cash equivalents

Cash and cash equivalent comprise cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

r) Fair value measurement

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices /net asset value (unadjusted) in active markets for identical assets or liabilities that the company can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

s) Government grant

Grants from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. The benefit of a Government loan at a below-market rate of interest is treated as a Government grant, measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates and is being recognised in the Statement of Profit and Loss.

Government grants that compensate the Company for expenses incurred are recognised in the Statement of Profit and Loss, as income or deduction from the relevant expense, on a systematic basis in the periods in which the expense is recognised.

Government grant relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Statement of Profit and Loss on a systematic basis over the expected lives of the related assets to match them with the cost for which they are intended to compensate and presented within other income.

t) Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument. Financial instrument (except trade receivables) are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Trade receivables are measured at their transaction price unless it contains a significant financing component in accordance with Ind AS 115 for pricing adjustments embedded in the contract. Subsequent measurement of financial assets and financial liabilities is described below:

Non-derivative financial assets

Subsequent measurement

i. Financial assets carried at amortised cost

A financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. Financial assets at fair value through Profit & Loss (FVTPL)

Financial assets, which does not meet the criteria for categorization as at amortized cost or as FVOCI, are classified as at FVTPL

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

u) Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables: In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets: In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

KIMIA BIOSCIENCES LIMITED
Notes to Financial Statements for the Year Ended March 31, 2025

- v) **De-recognition of financial assets:** A financial asset is primarily de-recognised when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.
- w) **Non-derivative financial liabilities**
Subsequent measurement: Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.
De-recognition of financial liabilities: A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.
Offsetting of financial instruments: Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Net Deferred Tax Liability / (Assets) (a)-(b)	(396.88)	(187.50)	5.95	(578.43)

The Company has recognised deferred tax assets on unabsorbed depreciation and carried forward tax losses. The Company has unabsorbed depreciations and incurred tax losses in current year and in earlier years. The Company has concluded that the deferred tax assets on unabsorbed depreciations and carried forward tax losses will be recoverable using the estimated future taxable income based on the business plans and budgets. The Company is expected to generate taxable income in near future. Unabsorbed depreciation can be carried forward for infinite period and tax losses can be carried forward for specific period as per tax regulations and the Company expects to recover the same within prescribed period.

(₹ Lakhs)

38 Employee benefits

A. Defined Contribution Plans

Provident and other Funds : During the year, the Company has recognised ₹ 53.53 Lakhs (previous year ₹ 59.52 Lakhs) as contribution to Employee Provident and other Funds in the Statment of Profit and Loss.

B. Defined Benefit Plans - Gratuity

Each employee rendering continuous service of 5 years or more is entitled to receive gratuity amount equal to 15 days of the monthly emoluments for every completed year of service subject to maximum of ₹ 20 Lakhs at the time of separation from the company.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at March 31, 2025. The present value of the defined benefit obligation and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the funded status and amounts recognised in the balance sheet for defined benefit plans:

	31-03-2025	31-03-2024
(i) Reconciliation of fair value of plan assets and defined benefit obligation:		
Fair value of plan assets	-	-
Defined benefit obligation	149.95	128.35
Net assets / (liability) recognised in the Balance Sheet at year end	(149.95)	(128.35)
(ii) Changes in the present value of the defined benefit obligation are, as follows:		
Defined benefit obligation at beginning of the year	128.35	126.80
Current service cost	27.94	23.28
Interest expense	9.27	9.51
Benefits paid	(12.58)	(7.61)
Actuarial (gain)/ loss arising on obligations due to change in demographic assumptions	-	-
Actuarial (gain)/ loss arising on obligations due to change in financial assumptions	3.15	3.29
Actuarial (gain)/ loss arising on obligations due to change in experience adjustments	(6.19)	(26.93)
Defined benefit obligation at year end	149.95	128.35
(iii) Amount recognised in Statement of Profit and Loss:		
Current service cost	27.94	23.28
Net interest expense	9.27	9.51
Amount recognised in Statement of Profit and Loss	37.21	32.79
(iv) Amount recognised in Other Comprehensive Income:		
Actuarial (gain)/ loss on obligations	(3.04)	(23.64)
Return on plan assets (excluding amounts included in net interest expense)	-	-
Amount recognised in Other Comprehensive Income	(3.04)	(23.64)
(v) The Company has no plan assets.		
(vi) The principal assumptions used in determining gratuity obligations for the Company's plans are shown below:		
Discount rate (in %)	6.99%	7.22%
Salary Escalation (in %)	8.00%	8.00%
Expected average working lives of employees (in years)	58	58
Expected average remaining working lives of employees (in years)	22.25	21.00

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

(₹ Lakhs)

38 Employee benefits

(vii) A quantitative sensitivity analysis for significant assumption are given as below :

Sensitivity Level	As at March 31, 2025		As at March 31, 2024	
	+ 0.5%	- 0.5%	+ 0.5%	- 0.5%
Effect of change in discount rate	(1.39)	1.56	(6.12)	6.69
Effect of change in salary escalation	1.52	(1.39)	6.61	(6.11)

- The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.
- Sensitivities due to mortality and withdrawals are insignificant, hence ignored. Sensitivities as to rate of inflation, rate of increase of pensions in payment, rate of increase of pensions before retirement and life expectancy are not applicable being a lump sum benefit on retirement.
- Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

(viii) **Maturity profile of defined benefit obligation :**

	31-03-2025	31-03-2024
Within next twelve months	1.32	1.53
Between one to five years	1.99	20.97
Beyond five years	16.15	105.85

(ix) Weighted average duration (in years) 17.10 16.41

(x) **Description of Risk Exposures:**

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such the Company is exposed to various risks as follow -

- Salary Increases- Higher than expected increase in salary will increase the defined benefit obligation.
- Discount Rate – Reduction in discount rate in subsequent valuations can increase the plan's liability.
- Mortality & disability – Actual deaths & disability cases proving lower or higher than assumption in the valuation can impact the liabilities.
- Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

39 Segment Reporting

- (a) According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the company falls within one broad business segment viz. "Pharmaceuticals" and substantially sale of the product is within the country. Hence, the disclosure requirement of Ind AS 108 of 'Segment Reporting' is not considered applicable. The secondary segment is geographical, information related to which is given as under:

	As at March 31, 2025			As at March 31, 2024		
	Within India	Outside India	Total	Within India	Outside India	Total
Sales (gross)	9,679.15	2,165.22	11,844.37	7,771.62	2,662.78	10,434.40
Trade Receivables (gross)	3,107.57	619.90	3,727.47	2,187.88	619.90	2,807.78

The Company has common assets for producing goods for domestic market and overseas market.

- (b) The Company has one customer (previous year one customer) whose revenue was greater than 10% revenue of the Company's total revenue.

41 Financial Instruments

A) Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

	As at March 31, 2025		As at March 31, 2024	
	Carrying Value	Fair Value	Carrying Value	Fair Value
(a) Measured at fair value through Profit and Loss				
Financial assets				
Investments - Current	-	-	-	-
	-	-	-	-
(b) Measured at amortized cost				
(i) Financial assets				
Other financial Assets				
- Non Current	40.88	40.88	26.32	26.32
- Current	105.54	105.54	103.12	103.12
Trade receivables	3675.09	3,675.09	2,755.40	2,755.40
Cash and cash equivalents	20.61	20.61	14.76	14.76
Other Bank balances	47.49	47.49	38.68	38.68
	3,889.61	3,889.61	2,938.28	2,938.28
(ii) Financial liabilities				
Borrowings				
- Non Current	1,037.01	1,037.01	2,140.98	2,140.98
- Current	2,219.62	2,219.62	2,199.15	2,199.15
Trade payables	5,048.89	5,048.89	3,998.82	3,998.82
Other financial Liabilities				-
- Non Current	632.97	632.97	580.71	580.71
- Current	490.56	490.56	506.63	506.63
Total	9,429.05	9,429.05	9,426.29	9,426.29

The management assessed that cash and cash equivalents, other bank balances, trade and other receivables and trade and other payables approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

B) Fair value hierarchy

The fair value of financial instruments as referred to in note (A) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1] measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:-

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

KIMIA BIOSCIENCES LIMITED

Notes to Financial Statements for the Year Ended March 31, 2025

(₹ Lakhs)

a) Financial assets and liabilities measured at fair value - recurring fair value measurements

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are:

(a) recognised and measured at fair value and

(b) measured at amortised cost.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(i) Financial Instruments measured at FVTPL

As at March 31, 2025	Level 1	Level 2	Level 3	Total
Assets at fair value				
- Investment	-	-	-	-

As at March 31, 2024	Level 1	Level 2	Level 3	Total
Assets at fair value				
- Investment in Equity Shares	-	-	-	-
- Investment in Mutual Funds	-	-	-	-

(ii) Financial Instruments measured at amortised cost

As at March 31, 2025	Level 1	Level 2	Level 3	Total
- Preference shares	-	-	632.97	632.97

As at March 31, 2024	Level 1	Level 2	Level 3	Total
- Preference shares	-	-	580.71	580.71

b) Valuation process and technique used to determine fair value

The fair value of investments in quoted equity shares and mutual funds are based on the current bid price of respective investment as at the balance sheet date.

In case of preference shares, the Company has used valuation report of external valuer. Valuation was derived using discounted cash flow method which was based on present value of the expected future economic benefit.

c) Fair value measurements using significant unobservable inputs (level 3)

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows, these fair values are

Type of Financial Instruments	Fair Value as at		Discounting Rate	Significant unobservable inputs	Sensitivity
	March 31, 2025	March 31, 2024			
Preference shares	632.97	580.71	9% (previous year 9%)	Risk-adjusted discount rate	Change of (+) 50 / (-) 50 basis points - Fair value would change by (-)7.50/(+)7.67 Lakhs (Previous year: (-)9.50/(+)9.74 Lakhs)

42 Financial risk management objectives and policies

Risk Management Framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the processes to ensure that executive management controls risks through the mechanism of properly defined framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed by the board annually to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's Audit Committee oversees compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities. The carrying amount of financial assets represents the maximum credit exposure. The Company monitor credit risk very closely in domestic market. The Management impact analysis shows credit risk and impact assessment as low.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes market check, industry feedback, past financials and external ratings, if they are available. Sale limits are established for each customer and reviewed periodically.

The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables.

In monitoring customer credit risk, customers are reviewed according to their credit characteristics, including whether they are an individual or a legal entity, their geographic location, industry and existence of previous financial difficulties. The ageing analysis of the trade receivables has been considered from the date the invoice:

Trade Receivables	Outstanding for following periods from transaction date			
	Less than 6 months	6 months -1 year	More than 1 Year	Total
As at March 31, 2025	3,618.22	35.72	73.53	3,727.47
As at March 31, 2024	2,716.69	11.21	79.88	2,807.78

The movement in the allowance for impairment in respect of trade and other receivables during the year was as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Balance at the beginning	52.38	52.38
Impairment loss recognised	-	-
Amount written off during the year	-	-
Balance at the end	52.38	52.38

During the year, the Company has made write-offs ₹ NIL (Previous year ₹ NIL Lakhs) of trade receivables, it does not expect to receive future cash flows or recoveries from collection of cash flows previously written off. The Company management also pursue all legal option for recovery of dues wherever necessary based on its internal assessment.

KIMIA BIOSCIENCES LIMITED

(₹ Lakhs)

42 Financial risk management objectives and policies

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected future cash flows. This is generally carried out in accordance with practice and limits set by the Company. These limits vary by location to take into account requirement, future cash flow and the liquidity in which the entity operates. In addition, the Company's liquidity management strategy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Financing Arrangement

The cash credit facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in Indian rupee and have an average maturity within a year.

Maturity profile of Financial Liabilities

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

	< 1 year	1-3 years	3-5 years	> 5 years	Total
Year ended March 31, 2025					
Borrowings	2,219.62	977.22	59.79	-	3,256.63
Trade payables	5,048.89	-	-	-	5,048.89
Lease Liabilities	18.62	27.59	-	-	46.21
Other financial liabilities	490.56	632.97	-	-	1,123.53
	7,777.68	1,637.78	59.79	-	9,475.26
Year ended March 31, 2024					
Borrowings	2,199.15	2,054.47	86.51	-	4,340.13
Trade payables	3,998.82	-	-	-	3,998.82
Lease Liabilities	12.13	23.25	-	-	35.38
Other financial liabilities	506.63	400.00	-	400.00	1,306.63
	6,716.73	2,477.72	86.51	400.00	9,680.96

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk, such as commodity price risk and equity price risk. Financial instruments affected by market risk include trade payables, trade receivables, borrowings, etc.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company is exposed to interest rate risk because Company borrows funds at both floating interest rates. These exposures are reviewed by appropriate levels of management. The Company regularly monitors the market rate of interest to mitigate the risk exposure. The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows.

	As at March 31, 2025			As at March 31, 2024		
	Increase / Decrease in basis point	Effect on profit before tax	Effect on equity after tax	Increase / Decrease in basis point	Effect on profit before tax	Effect on equity after tax
Borrowings from banks and others	+0.50%	(11.91)	(8.91)	+0.50%	(12.86)	(9.63)
Borrowings from banks and others	-0.50%	11.91	8.91	-0.50%	12.86	9.63

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to foreign currency risk primarily related to raw purchase purchases. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency).

42 Financial risk management objectives and policies

Exposure to Foreign Currency

The Company has not entered into derivative instruments to hedge their foreign currency contracts. Foreign currency exposure that are not hedged by a derivative instrument as at Balance Sheet are as follows

Unhedged Exposure	Currency	As at March 31, 2025		As at March 31, 2024	
		Foreign Currency	Amount	Foreign Currency	Amount
Trade Receivables	USD	0.11	9.10	3.29	270.60
Trade Payables	USD	(26.94)	(2,305.91)	(23.95)	(2,011.61)
Total		(26.83)	(2,296.81)	(20.66)	(1,741.01)
Trade Receivables	AED	0.09	2.20	15.91	349.30
Total		0.09	2.20	15.91	349.30
Trade Payables	EURO	0.17	15.70	-	-
Total		0.17	15.70	-	-

Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (₹). The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD and small exposure in AED and EURO. The risk is measured through a forecast of highly probable foreign currency cash flows.

Particulars	Currency	As at March 31, 2025	As at March 31, 2024	As at March 31, 2025	As at March 31, 2024

*Holding all other variables constant

Commodity price risk

Commodity price risk for the Company is mainly related to fluctuations in chemical prices linked to various external factors, which can affect the production cost of the Company. Since, the Production costs is one of the primary costs drivers, any adverse fluctuation in chemical prices can lead to drop in operating margin. To manage this risk, the Company places orders, identifying new sources of supply etc. There are no derivatives available for requisite chemicals, in the absence, has to be procured at spot prices. Additionally, processes and policies related to such risks are reviewed and controlled by senior management and requirement are monitored by the procurement team.

49 Corporate Social Responsibility

	For the year ended March 31, 2025	For the year ended March 31, 2024
(i) Amount required to be spent by the company during the year	-	-
(ii) Amount of expenditure incurred	-	-
(iii) Shortfall at the end of the year	-	-
(iv) Total of previous years shortfall	-	7.86
(v) Reason of shortfall	-	NA
(vi) Nature of CSR activities	-	-
(vii) Details of related party transactions	-	-
(viii) Movement Provision made for contractual obligation	-	-

In the financial years 2021–22 and 2022–23, a provision for Corporate Social Responsibility (CSR) amounting to ₹0.97 lakh and ₹6.89 lakh respectively was inadvertently created, despite the company incurring losses in both years and thus not being liable to make such provisions under the applicable CSR regulations.

During the current financial year, a total amount of ₹7.86 lakh has been reversed and rectified in the books of accounts to correct the earlier error. This adjustment ensures compliance with CSR requirements as per the Companies Act, 2013.
